Heartfelt Tear

So close are the angels to those that grieve.
So close is heaven to those who believe.
Though it is difficult to see past your sorrow,
Memories will help to comfort your tomorrow.

For love leaves a path that no one can steal,
And time is the element that it takes to heal.
The heartfelt tears you feel today,
Is the delight you felt from yesterday.

So look inside the chambers of your heart
To see that you are not really apart.
When sorrow comes, just look above
Tears belong to those who had love.

Eternal Home

God said that he needed you
So this earth you had left.
I have your memories,
My heart is what you kept.

Into the arms of Jesus
Is now where you stay.
Walking in the streets of gold
Where you dwell everyday.

Someday my life will be complete.
Earth I will no longer roam.
It is there I will see you again
When He gently takes me home.

Meet Me in the Stars

You aren't that far away.
Just meet me in the stars.
I saw you twinkling at me.
I know just where you are.

Distance can never steal
A lifetime of our love.
It is when it is the darkest
The stars appear above.

So shine ever so brightly.
Let me know you still care.
Meet me in the stars
And I will find you there.

One More Day

I close my eyes and wish
For just one more day,
To see you one more time,
And ask you to stay.

I'd hold you in my arms
Long enough to let you know,
Just what you meant to me
And how much I love you so.

You are always in my dreams
But I want to hug you for real.
I wish heaven could give you back.
That is exactly how I feel.

Just one more day with you,
I'd share a part of my soul.
I'd tell you how I love you
And then I'd let you go.

Just a Dream Away

Since you left this earth
You're always a dream away.
You live in my heart
And still a part of my day.

I close my eyes at times
And imagine seeing you.
I see your face again
It helps me to get through.

At night when I try and sleep
As hard as it often seems
It brings me back to you
For I find you in my dreams.

Until We Meet Again

Heaven needed another angel,
Given your wings you flew so high.
I cried as I let you go.
It was so hard to say goodbye.

Yet you'll never be far from me.
Though it still hurts, I can't pretend.
But I'll hold on to your promise
That one day we'll meet again.

Always in my Heart

I always think of you.
I still call out your name.
For you are always here with me
Though things are not the same.

I think of all the love we've shared
Even though you're out of sight.
I could never say goodbye to you.
I've only said goodnight.

Although it hurts without you,
We're never far apart.
You will forever be with me
You are always in my heart!

Wings of Comfort

No longer here with me,
It's comfort I seek to find.
I look for you everywhere.
You are always on my mind.

Though I wanted to hold on,
It took strength to let you go.
You're forever in my heart,
Forever in my soul.

Someday we'll meet anew.
I'll share my heart again with you.
But for now my wings of comfort
Is knowing you miss me, too.
